

...I finally found
...and free, I had but little
...of my surroundings. Not
...competent navigator, I could
...ly guess vaguely by the sun
...nd stars that I was somewhat
...uth of the equator. Of the
...ngitude I knew nothing, and
...island or coast-line was in
...t. The weather kept fair,
...for uncounted days I
...d aimlessly beneath the
...ing sun; waiting either
...me passing ship, or to
...on the shores of some
...ble land. But neither
...land appeared, and
...spair in r
...ing va
