

A SURE METHOD FOR ANYBODY

Then we happen heads: you gain back Soap for ever! The way

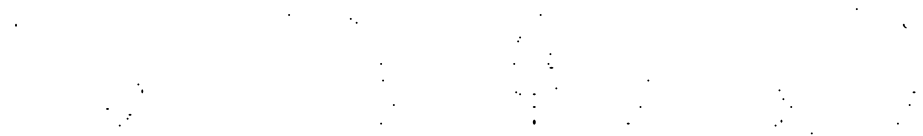

Once four balls, all about the same size. They need not be real round

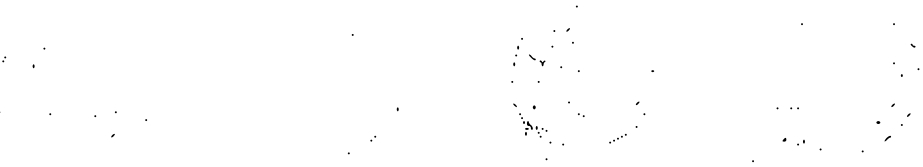

Now add a small ball. Place it anywhere, under or touching the first ball.

Divide the ball so that the division lines cross at a point under the nose

Add crassures above and below nose as you did before. Now build in

the rest. The ear always go on a line half way round the head from

the middle line of the face. Finish any way you wish. Lots of fun!
