

# THE SUIT

*A ball, a square, and a triangle can be the foundation for a coat in the side and 3/4 view the ball is flattened at back and cut down in front. Trousers are not as*

*easy, but remember that folds radiate from joints and wrinkle on opposite sides. You should study folds from life to understand them. Knees, elbows, hips and*

*The sleeve works about like the trousers with elbow like knee. But watch for more twist.*

*Buttons cause folds. Learn to draw them for they explain action of figure.*
