

Inkscape Keyboard Layout v0.48

The diagram shows a standard QWERTY keyboard layout with various tools and shortcuts assigned to keys. The top row includes function keys F1-F12 with icons for Exit Dialog, Selector, Node, Zoom, Rectangle, Ellipse, Pencil, Dropper, Text, Spiral, Menus, Full Screen, and View Dialogs. The second row includes navigation and zooming shortcuts like Previous Zoom, Zoom 100%, Zoom 50%, Zoom Select, Zoom Draw'g, Zoom Page, Zoom PWidth, Zoom Out, and Zoom In. The third row includes tools like Quick Zoom, Tweak, Ellipse, Rectangle, Text, Bucket, Spiral, Connector, Pencil, Rotate Left, Rotate Right, and View Guides. The fourth row includes Spray, Selector, Dropper Toggle, Gradient, Flip-H, and enter. The fifth row includes Zoom, 3D Box, Callig Brush, Flip-V, Bezier, Node, Reduce Scale, Expand Scale, and shift. The bottom row includes ctrl, alt, space (Selector Tool toggle and Stamp), alt, and ctrl.

This diagram shows a secondary set of keyboard shortcuts for navigation and editing. It includes keys like Insert, Home (To Top), Pg Up (Raise), Delete, End (To Bottom), Pg Dn (Lower), Move up, Move left, Move down, and Move right.
