

The image shows two rock profiles on either side of a central light blue area. Each profile is composed of several horizontal layers of different colors: dark orange, brown, orange, light orange, orange, orange, light orange, brown, and orange. A black double-headed arrow spans the width of the central light blue area. In the center of this arrow, the text "Same layers on both sides." is written in a bold, black, sans-serif font.

Same layers on both sides.
