

REQUEST FOR #FREEBASSEL DAYS ARTISTS, Day 909

Each day that Bassel Khartabil is stuck in a Syrian Jail, we are asking a different person sign up to make a post on his or her instagram, twitter, and, or, facebook page to keep the light on for our detained friend.

Take Part: Either email love@freebassel.org to get on the list, or go to this page and add yourself to an empty row to make a day post.

When it comes to your day, use the #freebassel and the day # to make your #dailygift.
