

Today's kanji

29.10.2014(JST)

The image shows the kanji character '弟' (otouto) in a large, orange font. The character is composed of several strokes, with small arrows indicating the direction and order of each stroke. The top part of the character has a small hook-like stroke, followed by a horizontal bar, and then a vertical stem that curves slightly to the right at the bottom.

otouto

"otouto" means
"younger brother" in English
