

Daily Sketch

Check "dailysketch" and "request" tagged cliparts for announcement.

Upload related clipart with "dailysketch" tag as a remix of the announcement if you will, BUT then remove the "request" tag.

If you announce the challenge, add "dailysketch" and "request" tags. Preferably add the number of the challenge in the series.

Once the challenge is over, add +completed after the "request" tag, and, message one of the participants to set up the next Daily Sketch challenge.

Have fun!
