

The logo is a circular emblem with a blue gradient background. It features white text and decorative elements. At the top, the words "CISCO" and "CERTIFIED" are stacked. A horizontal line separates this from the large "CCNA" text in the center. Below "CCNA" is another horizontal line, followed by the words "DATA" and "CENTER" stacked at the bottom. Two white, curved, swoosh-like shapes are positioned on the left and right sides of the circle, framing the central text.

**CISCO
CERTIFIED**

CCNA

**DATA
CENTER**
