

The logo is a circular emblem with a green gradient background. It features a dark green outer ring and a lighter green inner circle. Two white, curved, swoosh-like shapes are positioned on the left and right sides of the inner circle. The text is centered and white. At the top, 'CISCO' is written above 'CERTIFIED'. A horizontal white line separates this from 'CCNA' in the middle, which is the largest text. Another horizontal white line separates 'CCNA' from 'SERVICE PROVIDER' at the bottom.

**CISCO
CERTIFIED**

CCNA

**SERVICE
PROVIDER**
