

The logo is a circular emblem with a blue background. It features white text and decorative elements. At the top, the words "CISCO" and "CERTIFIED" are stacked in a bold, sans-serif font. A thin white horizontal line separates this from the large, bold "CCNP" text in the center. Below "CCNP" is another thin white horizontal line, followed by the words "DATA" and "CENTER" stacked in a bold, sans-serif font. The entire text is framed by two sets of white, curved, swoosh-like lines that curve inward from the left and right sides of the circle.

**CISCO
CERTIFIED**

CCNP

**DATA
CENTER**
