

The logo is a circular emblem with a green background. It features white text and decorative elements. At the top, the words "CISCO" and "CERTIFIED" are stacked. A horizontal line separates this from the large, bold "CCNP" text in the center. Another horizontal line is below "CCNP". At the bottom, the words "SERVICE" and "PROVIDER" are stacked. The entire text is framed by two sets of white, curved, swoosh-like lines that curve inward from the sides.
