

share time
co work
recycle
pay forward
listen more
be with
want less
slow down
breathe deeply
consume less
share time
share resources
live simply
offer thanks
live simply
want less
consume less

react less
take more time
listen more
want less
pay forward
share more
slow down
accept more
breathe deeply
give freely
share resources
conserve energy
do less
recycle
co work
react less
be with
do less
react less
share time
recirculate
live simply
accept more
fear less
share more
live simply
see abundance
react less
recycle
live simply
see abundance
react less
share more
give freely
conserve energy
recirculate
consume less

observe more
do less
be with
co work
appreciate all
co generate
see abundance
