

If only I do... then I'll be seen
If only I do... then I'll be accepted
If only I do... then I'll be secure
If only I do... then I'll be satisfied
If only I do... then I'll have value
If only I do... then I'll matter
If only I do... then I'll belong
If only I do... then I'll be safe
If only I do... then I'll find relief
If only I do... then I'll be respected
If only I do... then I'll get affection
If only I do... then I'll be appreciated
If only I do... then I'll feel...
If only I do... then I'll be secure
If only I do... then I'll be satisfied
If only I do... then I'll have value
If only I do... then I'll matter
If only I do... then I'll belong
If only I do... then I'll be safe
If only I do... then I'll find relief
If only I do... then I'll be respected
If only I do... then I'll get affection
If only I do... then I'll be appreciated
