

A black and white photograph showing two hands gripping vertical wooden bars. The hands are positioned on either side of the center, with fingers wrapped around the bars. The background is dark, and the lighting highlights the texture of the wood and the skin. In the center, the hashtag #WHEREISBASSEL is written in a bold, white, sans-serif font. The hashtag is superimposed over a vertical gap between the bars, which is illuminated from behind, creating a bright, glowing effect.

**#WHEREISBASSEL**
