

C O E X I S T

The image displays the word "EXIST" in a highly stylized, metallic font. Each letter is intricately designed with various symbols and motifs:

- C**: A large, glowing crescent moon with a five-pointed star positioned inside its curve.
- O**: A circle containing a peace symbol (a vertical line, a diagonal line from top-left to bottom-right, and a diagonal line from top-right to bottom-left).
- E**: A letter with a female symbol (a vertical line with a horizontal crossbar) at its base and a Mercury symbol (a circle with a three-pointed arrow) at its top-right.
- X**: A large, complex geometric shape resembling a six-pointed star or a hexagram with internal lines, creating a complex, crystalline structure.
- I**: A simple vertical bar with a small pentagram symbol (a five-pointed star inside a circle) positioned above it.
- S**: A large, bold letter with a white outline, featuring a small, dark, five-pointed star on its left side.
- T**: A simple, bold vertical bar with a horizontal crossbar.

The entire text is rendered in a dark red, metallic color with a bright, glowing yellow and orange gradient along the top and bottom edges of the letters, giving it a three-dimensional, fiery appearance.
