

C O E X P I S T

The image displays the word "EXIST" in a highly stylized, three-dimensional font. Each letter is rendered with a metallic, iridescent finish that shifts between deep blue, red, and purple. The letters are integrated with various symbols: the 'C' contains a crescent moon and a five-pointed star; the 'O' is a peace symbol; the 'E' features a female symbol at its base and a Mars symbol at its top right; the 'X' is a Star of David; the 'I' is a vertical bar with a pentagram above it; the 'S' is a standard cursive 'S'; and the 'T' is a simple, bold crossbar and stem.
