

Let's summon, 2 are dogs,  
2 are naive children,  
but what excuses do  
the other ones have?  
**Dis - gus - ting !!!**

I could watch that show forever!  
**Sooooo coooooo!**

Yippie!!! Now it's  
my turn!

Cooooooool!  
That dude is a blockbuster!  
Standing ovations!

... when I snip with my  
fingers, you'll instantly awake  
and feel relaxed and full of  
power. You'll know "This will  
be MY day - the best day  
ever!". And you'll know "I'm  
**THE** hero!"

This clever smartie of a dog really  
seems to believe he can overlaugh me!  
Be sure, **I will not let him!**  
It's my turn!
