

# DC/AC Inverter

## charger

- mains on
- bulk
- absorption
- float

## inverter

- inverter on
- overload
- low battery
- temperature

- battery charger
- sinewave inverter
- transfer switch
- powerassist
- parallel connectable
- three phase connectable

**Multiplus**  
48 VOLT | 5000 VA | 70 AMP

AC transfer capacity 1x50A + 1x30A | inverter 230V
