

A word cloud consisting of the word "EQUALITY" repeated many times. The words are arranged in a roughly rectangular shape, with some words being significantly larger than others. The orientations of the words vary, with some being horizontal, some vertical, and some at diagonal angles. The overall effect is a dense, textured field of the word.

A second word cloud of the word "EQUALITY". This one is more horizontally oriented than the first. The words are still of varying sizes and orientations, but they generally follow a more consistent horizontal path. The density is high, with many words overlapping or touching each other.
