

A dense word cloud of HIV/AIDS awareness slogans. The words are arranged in a roughly rectangular shape, with the following terms and colors visible:

- HIV** (black, red, blue, orange)
- AIDS** (black, red, blue, orange)
- STOP** (black, red, blue, orange)

The words are repeated in various orientations and sizes, creating a textured, layered effect. The color palette is limited to black, red, blue, and orange, providing a strong visual contrast.
