

fish **s**h

The image features the lowercase letters 'f', 's', and 'h' in a bold, black, sans-serif font. The letter 'f' is uniquely designed: its vertical stem has a small white circle with a horizontal line extending to the right, resembling a fishing reel. A thin vertical line extends from the top curve of the 'f' down to the head of a black silhouette of a fish. The fish is positioned between the 'f' and the 's', appearing to be on a hook. The fish has a simple, smiling face with a white dot for an eye and a curved line for a mouth. The letters 's' and 'h' are positioned to the right of the fish, completing the word 'fish'.
