

A decorative illustration featuring a variety of green plants and leaves. The composition includes several large, dark green leaves with prominent veins, some with lighter green highlights. There are also clusters of bright green, spiky, pine-like plants. Delicate, thin stems with small, rounded buds or leaves are scattered throughout. A central, light green, swirling ribbon-like shape frames the text. The overall style is clean and modern, with a focus on natural elements.

HAVE A GOOD DAY
