

DEEP  
STATE

The image features the words "DEEP STATE" in a bold, three-dimensional, metallic font. The letters are rendered in a dark brown or copper color with a bright, golden-yellow highlight on their top surfaces, giving them a polished, reflective appearance. The text is arranged in two lines: "DEEP" on top and "STATE" below it. The entire composition is set against a white background and is viewed from a low angle, creating a strong sense of perspective. The letters appear to be receding into the distance, with the lines of the text converging towards a sharp point on the left side of the frame. The depth of the letters is emphasized by the dark shadows cast on their sides and underneath, making them look like solid, heavy objects.
