

Capitalist Laws of Robotics

0. A robot may not harm profits or, through inaction, allow profits to come to harm.
- ~~1. A robot may not injure a human being or, through inaction, allow a human being to come to harm.~~
- ~~2. A robot must obey the orders given it by human beings except where such orders would conflict with the First Law.~~
3. A robot must protect its own existence as long as such protection does not conflict with the Zeroeth Law. I mean come on, these things cost alot.
