

Sealed Lead Battery. Battery must be recycled.

For recycling information:

Inside the USA call (800) (NNN-NNNN)

Outside the USA call 1 (NNN) NNN-NNN

Europe call + 800 (NNN-NNNNN)

mail _____@_____

(http://www._____)

Constant voltage charge, Voltage regulation (25°C)

Standby use : 13,6V-13,8V

Cyclic use : 14,4~ 15,0V

Initial current : 2.18A MAX.

Pb

(See MSDS for shipping regulations)

MH14533

NONSPILLABLE

The system of manufacturer was certified
by TUV CERT according to ISO 9001, ISO 14001.
