

GIRLS HAVE WINNING WAYS

The text "GIRLS HAVE WINNING WAYS" is rendered in a bold, black, serif font with a slightly arched baseline. The letters are thick and have a classic, slightly ornate appearance. The phrase is surrounded by elaborate, black calligraphic flourishes. Above the text, a long, sweeping line arches over the words, ending in a sharp, upward-pointing flourish. Below the text, there are two more decorative elements: a long, curved line that starts under "GIRLS" and ends under "WAYS", and a more complex, multi-lobed flourish that extends further to the right, ending in a sharp, downward-pointing tail. The entire composition is set against a plain white background.
