

ANZING

The image displays the word "ANZING" in a highly stylized, 3D block letter font. Each letter is filled with a vibrant green color. The letters are outlined with thick, multi-colored borders in shades of purple, blue, red, and yellow. The letters have a three-dimensional appearance, with visible top and side surfaces, and are rendered with soft shadows and highlights to create a sense of depth. The 'A's have a triangular cutout in the center, and the 'Z' is slanted. The 'I' is a simple vertical bar. The 'N' and 'G' are also blocky with rounded edges. The overall style is reminiscent of 1980s or 1990s pop art or graffiti.
