

SEATTLE

The image features the word "SEATTLE" in a bold, stylized font. Each letter is filled with a vibrant blue color and outlined in a bright yellow. The letters are set against a background of multiple overlapping, semi-transparent layers of the same word, creating a 3D effect. The colors of these background layers transition from a deep blue in the foreground to a light teal and then to a dark green in the background, giving the text a sense of depth and movement. The overall style is modern and graphic.
